

Ukrainian young scientists studying natural sciences, engineering or medicine are invited to apply for a scholarship programme at the Matsumae International Foundation (Japan). Scholarship holders will have the opportunity to conduct researches in Japanese universities, research centres or companies.

A total of 20 scholarships have been awarded within the fund. The duration of the internship is from 3 to 6 months (from April 2021 to March 2022)

Requirements for candidates:

- - a PhD. or a relevant academic qualification that will be recognized by the Matsumae International Foundation;
- - age up to 49 years;
- - knowledge of English or Japanese;
- - lack of experience of long-term stay in Japan;
- - employment in Ukraine and the obligation to return home after completing the programme;
- - no health problems.

Upon arrival in Japan, a lump sum of 120,000 yen is paid for transportation costs and housing.

In addition, participants will receive a monthly scholarship of 220.000 yen to cover the following costs:

cost of training / internship, costs of materials, accommodation, meals, travel, etc .; travel and medical insurance; flight.

[Applications](#) for scholarships should be sent to the organizers by mail from Ukraine to the address: The Matsumae International Foundation 4-14-46, Kamiogi, Suginami-ku, Tokyo, 167-0043 JAPAN with the date of receipt by June 30, 2020 Japanese time.

Detailed information on how to receive scholarships can be found via the [link](#) or in [the newsletter](#).
